### **MORE EXCITING NEWS!!!!**

The **World Junior Young Rider Endurance Championship** will be held in

Abu Dhabi around early or mid December, 2011.

To qualify:

- The Horse must have successfully completed at least 2 CEI 2\* events, one being at the same distance and at the minimum speed (12kph), no earlier than 24 months prior to the event.
- The Rider must have successfully completed at least 3 CEI 2\*, one of which being at the same distance and minimum speed (12kph), no earlier than 24 months prior to the event.
- The Horse and Rider combination must do a qualifying ride together.

The contract between the FEI and the OC is still under development; however, there is a tentative agreement that the OC will pay for the travel and accommodation fees of the horse, the rider, and one groom. If a team can be sent, accommodations and travel for the Chef d'Equipe and Team Veterinarian will also be covered.

This is a one in a life time opportunity for many and the qualifying criteria can potentially be easily met.

**Adequan FEI North American Junior and Young Rider Championships**

Lexington, KY - For more than 30 years, the Adequan FEI North American Junior and Young Rider Championships presented by Gotham North traditionally hosts championships for teams and individuals in the three Olympic Equestrian disciplines of dressage, eventing and jumping. In 2008 reining was included, and in 2011 the sport of endurance will be introduced for the first time.

Included as a non-championship event since 2008 - participation and support for the program continues to grow. The 2011 championship will run from July 27-31 at the Kentucky Horse Park in Lexington, KY and the endurance portion will use some of the same track that the World Endurance Championships ran over during the 2010 Alltech FEI World Equestrian Games last September.

The ride will take place on Friday July 29. The stabling, start, veterinary inspections and finish as well as portions of the course will be on the Kentucky Horse Park grounds. The remainder of the course for the 120km race will make use of private property near the horse park.

**ATTENTION ALL CANADIAN YOUNG RIDERS!!**

**North American Young Riders Endurance Ride (NAYRER) 2011**

Would you like to ride on some of the same trails the World Equestrian Games athletes competed on?

Would you also like to take part in an event solely dedicated to youth and compete at the FEI level in a Championship event? See above press release!

The dates for this event are as follows:

- o Opening Ceremonies July 27th
- o Vet in July 28th
- o Ride July 29th
- o BC Judging July 30th
- o Closing Ceremonies July 31st

This event will be an FEI YR 2\*CH, which means, you will need to be qualified to ride in a 2\* 75mile race. To do this you must have an FEI passported horse and have completed a 1\* 50mile ride. You do not need to ride the horse beforehand, meaning if you are qualified as a rider to compete; you may lease a qualified horse for the race. This is the option that most young riders take as there are many people willing to lease out their horses.

It would be wonderful if we could enter a Canadian Team for this ride!

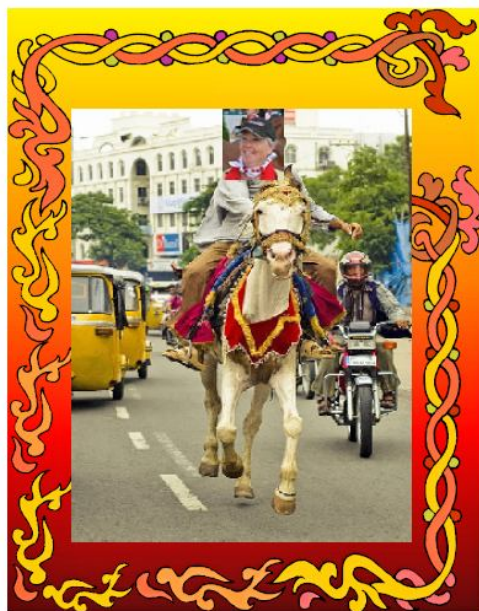

Hope to see many of you there!

Lee Hutten  
Endurance Canada Youth Co-Chair
