WEG 2010

News Update

Kay Melvin, the Canadian Endurance Team Chef d'Equipe, regretfully announces that Carol Steiner had a riding accident on Monday September 20, 2010 and sustained 5 broken ribs, one cracked rib, a collapsed lung and a separated shoulder, and as such has been withdrawn from consideration. Carol is in stable condition at the Kentucky University Hospital and is expected to stay there for a few days. The whole Team and the Canadian Endurance community send their best wishes to Carol; the Team will miss her cheery disposition as we lead up to the competition, and on race day.
